EXPERIENCE

Machine Learning Intern - V3 Analytics, Madurai

July 2023 - August 2023 (4 weeks)

During my time at V3 Analytics, I mastered Python and Statistics for Data Analytics. I applied these skills to a project using the YOLO algorithm for accurate people counting in real-life situations. This fueled my passion for tech-driven issue-solving. Excited to apply my knowledge in future roles and explore more in data analytics and computer vision.

PROJECTS

- Automatic People Tracker and Counting - Intern project
July 2023 - August 2023 (4 weeks)
- Liver Disease Prediction – Healthcare Project
